PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
To Be Held April 13, 1998

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Carnival Corporation (the "Company") from holders of the Company's Class A Common Stock, par value \$.01 per share (the "Class A Common Stock" or "Common Stock"), for use at the Annual Meeting of Shareholders to be held on April 13, 1998, and any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting and described in detail herein. The first mailing of the proxy material to the holders of Common Stock is expected to be made on March 2, 1998.

All properly executed proxies will be voted in accordance with the instructions contained thereon, and if no choice is specified, the proxies will be voted for the election of the fifteen directors named elsewhere in this Proxy Statement and in favor of each other proposal set forth in the Notice of Annual Meeting. Abstentions and "non-votes" are counted as present in determining the existence of a quorum. Abstentions and "non-votes" will not have the effect of votes in opposition to a director or "no" votes on Proposals 2, 3, 4, 5 or 6. A "non-vote" occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Any proxy may be revoked by a shareholder at any time before it is exercised by giving written notice to that effect to the Secretary of the Company or by signing a later-dated proxy. Shareholders who attend the Annual Meeting may revoke any proxy previously granted and vote in person.

The Board of Directors has fixed February 16, 1998 as the record date for determining the shareholders who are entitled to notice of and to vote at the Annual Meeting. At the close of business on January 12, 1998, the Company had outstanding 297,360,204 shares of Class A Common Stock. There are no outstanding shares of the Company's Class B Common Stock, par value \$.01 per share (the "Class B Common Stock"). Holders of such shares are entitled to vote at the Annual Meeting in the manner described in the next section.

VOTING

On all matters to come before the Annual Meeting, holders of Class A Common Stock are entitled to one vote for each share held. Ted Arison, the founder of the Company, certain members of the Arison family and trusts for the benefit of Mr. Arison's children (collectively, the "Principal Shareholders"), beneficially own shares representing approximately 47% of the voting power of the Common Stock and have informed the Company that they intend to cause all such shares to be voted in favor of the fifteen nominees named elsewhere in this Proxy Statement and in favor of Proposals 2, 3, 4, 5 and 6 listed in the accompanying Notice of Meeting. See "Certain Beneficial Owners" below.

On July 15, 1997, The Micky Arison 1994 "B" Trust (the "B Trust"), a U.S. trust whose primary beneficiary is Micky Arison, the Company's Chairman of the Board, exercised its right to convert all of the 54,957,142 shares of Class B Common Stock held by it into an equal number of shares of Class A Common Stock. Prior to July 1, 1997, the B Trust had been restricted from converting such shares under a stockholders agreement with the Company. Prior to the conversion of the Class B Common Stock, the B Trust was the controlling stockholder of the Company. The holder of Class B Common Stock had the power to elect 75% of the directors of the Company and the Class B Common Stock had five votes per share (as opposed to one vote per share for the Class A Common Stock) for all other voting matters. As a result of the conversion of the Class B Common Stock, (i) there are no shares of Class B Common Stock outstanding, (ii) all holders of Class A Common Stock (including the B Trust) vote as one class in all elections for directors, and (iii) all shares of Class A Common Stock (including the shares beneficially owned by the B Trust) have one vote per share for all other voting matters. As a result of the conversion, the B Trust beneficially owns 18.5% of the

outstanding Class A Common Stock of the Company. Although the B Trust is not currently a party to any proxy or voting trust arrangements with respect to the Class A Common Stock that it holds, the B Trust is not prohibited from entering into such arrangements in the future.

Certain Beneficial Owners

Set forth below is information concerning the share ownership of all persons known by the Company to be the beneficial owners of 5% or more of the 297,360,204 shares of Common Stock outstanding as of January 12, 1998, each executive officer of the Company named in the Summary Compensation Table which appears elsewhere in this Proxy Statement, each director of the Company and all directors and executive officers as a group. - (1) The address of each person named, unless otherwise noted, is 3655 N.W. 87 Avenue, Miami, Florida 33178-2428.
- (2) Ted Arison, Micky Arison, Shari Arison and the other Arison family entities named that own shares of Common Stock have filed a joint statement on Schedule 13D with respect to the shares of Common Stock held by such persons. TAMMS Investment Company, Limited Partnership ("TAMMS") owns 1,826,584 shares of Common Stock. TAMMS' general partner is TAMMS Management Corporation ("TAMMS Corp."), which is wholly owned by Marilyn Arison, Ted Arison's wife. TAMMS' limited partners are various trusts established for the benefit of certain members of Ted Arison's family, including Shari Arison and Marilyn Arison (the "Family Trusts"). By virtue of the limited partnership agreement of TAMMS, TAMMS Corp. may also be deemed to beneficially own such 1,826,584 shares of Common Stock. By virtue of their interests in TAMMS, TAF Management Company and A.H.W. Limited, as trustees of certain of the Family Trusts, may be deemed to beneficially own the portion of the 1,826,584 shares of Common Stock held by TAMMS which corresponds to their respective partnership interest in TAMMS. Such amounts are included in the number of shares set forth next to their names in the table above. Because Marilyn Arison beneficially owns all of the capital stock of TAMMS Corp., she may be deemed to beneficially own all of the 1,826,584 shares of Common Stock owned by TAMMS; however, she disclaims beneficial ownership of 1,310,364 of such shares (those owned partners of TAMMS other than TAMMS Corp. and MBA I, L.L.C. ("MBA I")). Because of his wife's controlling interest in TAMMS (through TAMMS Corp.), Ted Arison may be deemed to beneficially own all of the 1,826,584 shares of Common Stock owned by TAMMS; however, Ted Arison disclaims beneficial ownership of such shares. Because of his position as President of TAMMS Corp., Micky Arison may be deemed to beneficially own the 1,826,584 shares of Common Stock owned by TAMMS; however, Micky Arison disclaims beneficial ownership of all of such shares which are beneficially owned by the other limited partners of TAMMS or by TAMMS Corp.
- (3) Includes (i) 600,000 shares of Common Stock issuable to Micky Arison upon his exercise of stock options granted to him in May 1995, (ii) 1,826,584 shares of Common Stock held by TAMMS (see Note 2 above), (iii) 3,251,354 shares of Common Stock held by the MA 1997 Holdings, L.P., and (iv) 54,957,142 shares of Common Stock held by the MA 1994 B Shares, L.P., all of which may be deemed to be beneficially owned by Micky

Arison. However, Micky Arison disclaims beneficial ownership of all such shares owned by TAMMS.

("MA 1994, Inc."), which is wholly owned by the Micky Arison 1994 "B" Trust, a trust established for the benefit of Micky Arison and his heirs (the "B Trust"). The sole limited partner of MA 1994, L.P. is the B Trust. By virtue of the limited partnership agreement of MA 1994, L.P., MA 1994, Inc. may be deemed to beneficially own all of such 54,957,142 shares of Common Stock. By virtue of the B Trust's interest in MA 1994, L.P., the B Trust may be deemed to beneficially own all of such 54,957,142 shares of Common Stock. Under the terms of the instrument governing the B Trust, Micky Arison has the sole right to vote and direct the sale of the Common Stock indirectly held by the B Trust, subject during Ted Arison's lifetime to the consent of the trustee of the B Trust. The trustee of the B Trust is JMD Delaware, Inc., a corporation wholly owned by James M. Dubin. Each of JMD Delaware, Inc. and Mr. Dubin may be deemed to beneficially own the Common Stock indirectly held by the B Trust. Each of JMD Delaware, Inc. and Mr. Dubin disclaims beneficial ownership of all of such shares which are beneficially owned by the B Trust.
- (6) MA 1997 Holdings, L.P. ("MA 1997, L.P.") owns 3,251,354 shares of Common Stock. The general partner of MA 1997, L.P. is MA 1997 Holdings, Inc. ("MA 1997, Inc."), which is wholly owned by the Micky Arison 1997 Holdings Trust, a trust established for the benefit of Micky Arison and his heirs (the "MA 1997 Trust"). The sole limited partner of MA 1997, L.P. is the MA 1997 Trust. By virtue of the limited partnership agreement of MA 1997, L.P., MA 1997, Inc. may be deemed to beneficially own all of such 3,251,354 shares of Common Stock. By virtue of the MA 1997 Trust's interest in MA 1997, L.P., the MA 1997 Trust may be deemed to beneficially own all of such 3,251,354 shares of Common Stock. Under the terms of the instrument governing the MA 1997 Trust, Micky Arison has the sole right to vote the Common Stock indirectly held by the MA 1997 Trust. The trustee of the MA 1997 Trust is JMD Delaware, Inc., a corporation wholly owned by James M. Dubin. Each of JMD Delaware, Inc. and Mr. Dubin may be deemed to beneficially own the Common Stock indirectly held by the MA 1997 Trust. Each of JMD Delaware, Inc. and Mr. Dubin disclaims beneficial ownership of all of such shares which are beneficially owned by the MA 1997 Trust.
- (7) Kentish Limited, an Isle of Man corporation, is the protector of the Ted Arison 1994 Irrevocable Trust for Shari No. 1 and has certain voting and dispositive rights with respect to the Common Stock held by such trust.
- (8) MBA I owns 1,200,000 shares of Common Stock and a limited partnership interest in TAMMS (See Note 2 above). The Board of Directors has established standing Executive, Audit, Nominating, Compensation and Plan Administration Committees. Fourteen meetings of the Executive Committee were held during the fiscal year ended November 30, 1997.

1997 and the Committee acted on one occasion by unanimous written consent.

AMENDMENTS TO THE COMPANY'S AMENDED AND RESTATED ARTICLES OF INCORPORATION

The Board of Directors has approved, subject to the approval of the shareholders of the Company, certain amendments to the Company's Amended and Restated Articles of Incorporation set forth in the Second Amended and Restated Articles of Incorporation (the "Second Amended and Restated Articles"). At the Annual Meeting, the shareholders will be asked to approve these amendments. The full text of the Second Amended and Restated Articles is set forth as Appendix A hereto, and readers are urged to refer to it for a complete description of the proposed amendments.

The amendments described below will not affect in any way the validity of any currently outstanding stock certificate, the capital structure of the Company or the listing of any of its securities on any national security exchange. Shareholders will not be required to surrender or exchange any share certificates currently held by them.

Elimination of the Class B Common Stock and Designation of a Single Class of Common Stock

The Board of Directors has approved an amendment to Article 3 of the Company's Amended and Restated Articles of Incorporation to eliminate the Class B Common Stock and designate a single class of Common Stock of the Company. For more information, please see Article 3 of the Second Amended and Restated Articles set forth in Appendix A hereto. The Amended and Restated Articles of Incorporation currently authorize 399,500,000 shares of Class A Common Stock and 100,500,000 shares of Class B Common Stock. There are presently 297,360,204 shares of Class A Common Stock outstanding and no shares of Class B Common Stock outstanding.

Prior to its initial public offering, the Company adopted the Amended and Restated Articles of Incorporation (which included the authorization of Class B Common Stock), to grant the Arison family (who were the Company's founders and principal stockholders) supervoting rights with respect to the management of the affairs of the Company. On July 15, 1997, the B Trust, a United States trust whose primary beneficiary is Micky Arison, exercised its right to convert all of the outstanding 54,957,142 shares of Class B Common Stock into an equal number of shares of Class A Common Stock. As a result of this conversion, (i) there are currently no shares of Class B Common Stock outstanding, (ii) all holders of Class A Common Stock (including the B Trust) vote as one class in all elections for directors, and (iii) all shares of Class A Common Stock (including the shares held by the B Trust) have one vote per share for all other voting matters. Because the Company presently has no intention of issuing additional shares of Class B Common Stock, the Board recommends that shareholders vote to approve the elimination of Class B Common Stock.

For the reasons stated above, the Board believes that it is in the best interests of the Company and its shareholders to approve an amendment to the Company's Amended and Restated Articles of Incorporation to eliminate the Class B Common Stock and designate a single class of Common Stock.

Approval of the foregoing amendment requires the approval of the majority of the votes cast at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to the Amended and Restated Articles of Incorporation to eliminate the Class B Common Stock and designate a single class of Common Stock.

Increase in Number of Authorized Shares

The Board of Directors has approved an additional amendment to Article 3 of the Company's Amended and Restated Articles of Incorporation to increase the capital of the Company from Five Million Dollars (\$5,000,000) to Ten Million Dollars (\$10,000,000), thereby increasing the number of authorized shares of Common Stock to 960,000,000 and authorizing the issuance of 40,000,000 shares of Preferred Stock as provided by the Second Amended and Restated Articles. As explained further below, the Company intends to reserve 40,000,000 shares as Preferred Stock for future issuance (see "Authorization of Series of Preferred Stock" below). As indicated above, the Amended and Restated Articles of Incorporation currently authorize 399,500,000 shares of Class A Common Stock and 100,500,000 shares of Class B Common Stock. There are presently 297,360,204 shares of Class A Common Stock outstanding and no shares of Class B Common Stock outstanding. The increase in the authorized shares of Common Stock provided for in the Second Amended and Restated Articles will provide the Company the certainty and flexibility to undertake various types of transactions, including stock splits (in the

form of stock dividends), financings, increases in the shares reserved for issuance pursuant to stock incentive plans, or other corporate transactions. The Board of Directors has no immediate plans to issue additional shares of Common Stock.

For the reasons stated above, the Board believes that it is in the best interests of the Company and its shareholders to approve an amendment to the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock.

Approval of the foregoing amendment requires the approval of the majority of the votes cast at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to the Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock.

Authorization of Preferred Stock

The Board of Directors has approved an additional amendment to Article 3 of the Company's Amended and Restated Articles of Incorporation to authorize 40,000,000 shares of Preferred Stock, par value US\$.01 per share ("Preferred Stock"). For more information, please see Article 3 of the Second Amended and Restated Articles set forth in Appendix A hereto.

The proposed provisions would vest in the Board of Directors the authority to designate one or more series of Preferred Stock. Such provisions are often referred to as "blank check" provisions, as they give the Board of Directors the flexibility, at any time or from time to time, without further shareholder approval, to create one or more series of Preferred Stock and to determine the designations, preferences and limitations of each series, including, but not limited to, (i) the number of shares, (ii) dividend rights, (iii) voting rights, (iv) conversion privileges, (v) redemption provisions, (vi) sinking fund provisions, (vii) rights upon liquidation, dissolution or winding up of the Company and (viii) other relative rights, preferences and limitations of such series.

The adoption of this proposal will increase the Company's financial flexibility. The Board of Directors believes that the complexity of modern business financing and acquisition transactions requires greater flexibility in the Company's capital structure than now exists. Preferred Stock will be available for issuance from time to time as determined by the Board of Directors for any proper corporate purpose. Such purposes could include, without being limited to, issuance in public or private sales for cash as a means of obtaining capital for use in the Company's business and operations, issuance as part or all of the consideration required to be paid by the Company for acquisitions of other businesses or properties, and issuance under employee benefit plans. The availability of Preferred Stock could also have certain anti-takeover effects as described below. However, the Company does not presently have any plans, agreements, understandings or arrangements that will or could result in the issuance of any Preferred Stock.

Until the Board of Directors determines the respective rights of the holders of one or more series of Preferred Stock, it is not possible to state the actual effect of the authorization of the Preferred Stock upon the rights of holders of Common Stock. Some typical effects of such issuance could include: (i) reduction of the amount otherwise available for payment of dividends on Common Stock if dividends are payable on the Preferred Stock, (ii) restrictions on dividends on Common Stock if dividends on the Preferred Stock are in arrears, (iii) dilution of the voting power of Common Stock if the Preferred Stock has voting rights, and (iv) restriction of the rights of holders of Common Stock to share in the Company's assets upon liquidation until satisfaction of any liquidation preference granted to the holders of the Preferred Stock.

For the reasons stated above, the Board believes that it is in the best interests of the Company and its shareholders to approve an amendment to the Company's Amended and Restated Articles of Incorporation to authorize Preferred Stock and grant to the Board of Directors authority to designate the terms of each series of Preferred Stock.

Approval of the foregoing amendment requires the approval of the majority of the votes cast at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to the Amended and Restated Articles of Incorporation to authorize Preferred Stock and grant to the Board of Directors authority to designate the terms of each series of Preferred Stock.

Incorporation of Procedural Changes Recently Permitted Under Panamanian Law

The Board of Directors has approved amendments to Articles 5 and 7 of the Company's Amended and Restated Articles of Incorporation to provide (i) for the redomiciliation of the Company to another jurisdiction accepting redomiciliation, (ii) that the Board of Directors may meet by telephone conference or any other means of electronic communication and (iii) that the Board of Directors may adopt resolutions by written consent, signed by a majority of the Directors. For more information, please see Articles 5 and 7 of the Second Amended and Restated Articles set forth in Appendix A hereto. The foregoing changes were made possible by recent amendments to the General Corporation Law of the Republic of Panama intended to improve the operation of Panamanian corporations. However, the General Corporation Law requires that these new corporate features be approved by shareholders and incorporated into the articles of incorporation of Panamanian corporations to become effective. These features are discussed in more detail below.

The newly revised General Corporation Law of the Republic of Panama now permits a Panamanian corporation to more easily change its domicile to any jurisdiction accepting redomiciliation. Under the current Articles of Incorporation, if the Company decided in the future to change its domicile for tax, political or other reasons, it would likely be necessary to sell and/or transfer its assets, and/or to dissolve the Company. These are inconvenient and costly endeavors. By incorporating the new redomiciliation feature into the Second Amended and Restated Articles, the Company will be permitted to change its domicile and continue its existence under the laws of another country at any time that it may be considered in the best interests of the Company without the need to sell and/or transfer assets or dissolve the Company. Redomiciliation by the Company is currently not under consideration.

The revised General Corporation Law of Panama also now provides more modern provisions regarding the functioning of the boards of directors of Panamanian corporations. Until the adoption of the recent amendments, Panamanian corporations, such as the Company, were not permitted to conduct Board meetings by telephone or to adopt resolutions by written consents of the Directors. Matters frequently arise between scheduled quarterly Board meetings that require action by the Board of Directors. The Board of Directors believes that the proposed amendments to permit telephonic Board meetings and actions by written consent of a majority of the Directors will greatly facilitate and expedite Board actions regarding exigent matters arising between scheduled quarterly Board meetings.

For the reasons stated above, the Board believes that it is in the best interests of the Company and its shareholders to approve the amendments to the Company's Amended and Restated Articles of Incorporation to make certain procedural changes recently permitted under Panamanian law.

Approval of the foregoing amendments requires the approval of the majority of the votes cast at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR the adoption of the amendments to the Amended and Restated Articles of Incorporation to make certain procedural changes recently permitted under Panamanian law.

The Company has entered into deferred compensation agreements with two named executive officers, Robert H. Dickinson and Meshulam Zonis. The agreements provide for the payment of an annual deferred compensation benefit equal to 50% of each employee's annual compensation, payable for 15 years in equal monthly installments after the employee retires. "Compensation" is defined as the average of the employee's annual salary and bonuses, up to a maximum of \$400,000 earned during the last five years of employment (highest paid five years of employment for the former executive officer) preceding the employee's retirement or other separation from service. Employees may retire and begin receiving an unreduced benefit anytime if they have reached age 65 and have 10 years of continuous service, as determined by the Company. Assuming average final compensation calculated according to Messrs. Dickinson's and Zonis's annual compensation over the last five years, the estimated annual benefits payable to each of Messrs. Dickinson and Zonis would be \$200,000. An employee may retire with benefits prior to age 65 if he is at least age 55, has completed at least 10 years of service, and the Company consents to such retirement. In such event, if the employee elects to have benefits commence prior to age 65, payments are reduced to the present value, using a discount factor of 10% of the full benefit which would have been payable at age 65. An employee may also be entitled to benefits under certain other circumstances specified in the agreements.

If the employee dies before receiving the entire benefit payable to him, the balance is paid to the employee's beneficiary or estate.

All amounts are forfeited if the employee engages in any conduct which in the Company's opinion is contrary to the Company's best interests, if the employee's employment is terminated for cause, if the employee engages in competition with the Company, or if the employee fails to assist the Company when asked.

Defined Benefit Plans

The following table sets forth estimated pension benefits payable at age 65 or upon completion of five years of plan participation, whichever occurs later (the "Normal Retirement Date"), pursuant to two employee pension plans (qualified and nonqualified) adopted by the Company effective January 1, 1989 (collectively, the "Pension Plan"). (The Pension Plan provides an early retirement benefit at age 55 after completion of 15 years of service, subject to a reduction of .5% for each month that distribution of benefits precedes the participant's Normal Retirement Date.)

PENSION PLAN TABLE

Remuneration	Years of Service				
	15	20	25	30	35
\$250,000 and above	\$54,600	\$72,800	\$91,000	\$109,200	\$109,200

A participant's benefits under the Pension Plan are calculated based on an employee's length of service with the Company and the average of the participant's five highest consecutive years of compensation (including base pay, overtime, bonuses and commissions) out of the last ten years of service. Subject to the benefit limitation policy discussed below, the covered compensation with respect to the individuals named in the Summary Compensation Table would include substantially the same types and amounts of annual compensation shown in the Summary Compensation Table.

The normal form of payment is a straight life annuity with benefits ceasing at the later of the death of the participant or five years from the date of first payment. If the employee is married, pension benefits are presumptively payable on a reduced joint and 50% survivor annuity basis with the employee's spouse as the contingent annuitant. Other forms of distribution are available under the Pension Plan, including a lump sum distribution.

The Company has adopted a benefit limitation policy for the Pension Plan consistent with Section 415 of the Internal Revenue Code of 1986, as amended (the "Code"). The annual compensation for the fiscal year ended November 30, 1997 covered by the Pension Plan for the individuals named in the Summary Compensation Table, except for A. Kirk Lanterman who is not eligible for participation in the Pension Plan, is limited to \$250,000 (as may be indexed) pursuant to Section 401(a)(17) of the Code.

Pension benefits paid under the Pension Plan will be credited toward amounts payable under the Deferred Compensation Agreements described above. The Pension Plan does not reduce benefits on account of Social Security (or any other benefit), other than as reflected in the benefit formula which is

integrated with Social Security.

As of December 31, 1997, the years of credited service under the Pension Plan for each of the executive officers named in the Summary Compensation Table, except for A. Kirk Lanterman who is not eligible for participation in the Pension Plan, will be as follows: Micky Arison, age 48, with 22 credited years of service; Robert H. Dickinson, age 55, 22 years; Meshulam Zonis, age 64, 22 years; and Howard S. Frank, age 56, 8 years. In consideration of Mr. Frank's forfeiture of retirement benefits from his prior employer, on April 17, 1995, the Compensation Committee approved an agreement with Mr. Frank whereby the Company agreed to compensate Mr. Frank upon his retirement for benefits he would have received under the Pension Plan if he had been credited with an additional thirteen years of service in addition to the actual years of credited service, reduced by the amounts payable under the Pension Plan.

Effective January 1, 1998, the Company established a 401(k)/profit sharing plan and a nonqualified savings/profit sharing plan. All accruals under the qualified employee pension plan ceased effective December 31, 1997. Effective January 1, 1998, participants in the nonqualified employee pension plan chose either to remain in the nonqualified employee pension plan with limited participation in the nonqualified savings plan or to freeze participation in the nonqualified pension plan and fully participate in the nonqualified savings/profit sharing plan.

Compensation of Directors

During fiscal 1997, each director who was not an employee of the Company received a retainer fee of \$28,000 per annum, \$1,000 for each Board meeting attended and \$1,000 for each committee meeting attended. The Chairman of each committee receives an additional retainer of \$4,000 per annum and the members of each committee receive an additional retainer of \$2,000 per annum.

On July 10, 1993, the Board of Directors adopted the 1993 Outside Directors' Stock Option Plan (the "Outside Director Plan") to provide additional compensation to nonemployee directors. The Outside Director Plan provides for the granting of options to purchase shares of Common Stock to directors of the Company who are not employees or officers of the Company or any of its subsidiaries.

Each nonemployee director elected or appointed to the Board of Directors for the first time following the adoption of the Outside Director Plan is granted an option to purchase 10,000 shares of Common Stock. Thereafter, for each five-year period of consecutive service as a nonemployee director, each nonemployee director receives an option to purchase an additional 10,000 shares of Common Stock. The exercise price of each option granted under the Outside Director Plan may not be less than the average of the high and the low sales price of a share of Common Stock on the New York Stock Exchange on the date of grant.

Options granted under the Outside Director Plan are immediately exercisable for a period of five years from the date of grant. The maximum number of shares of Common Stock which may be made subject to options under the Outside Director Plan is 400,000. The Outside Director Plan is effective for a period of ten years from the date of adoption by the Board of Directors.

Pursuant to the terms of the Outside Director Plan, on July 12, 1997, Messrs. Ruben, Subotnick, Weiser and Zucker were each granted options to acquire 10,000 shares of Common Stock at an option price of \$43.8125 per share, the average of the high and low sales price of a share of Common Stock on such date. Shari Arison, David Crossland and James M. Dubin do not receive options under the Outside Director Plan.

Executive Long-Term Compensation Agreement

The Company recently entered into an Executive Long-Term Compensation Agreement (the "Compensation Agreement") with Robert H. Dickinson, the President and Chief Operating Officer of CCL. The Compensation Agreement provides that during the term of Mr. Dickinson's employment with the Company, the Company will provide long term compensation (in addition to his annual compensation consisting of a base salary and annual award under the 1994 Carnival Cruise Lines Key Management Incentive Plan) in the form of annual grants to Mr. Dickinson of 20,000 restricted shares of Common Stock and 40,000 options to purchase shares of Common Stock, contingent upon satisfactory performance.

Retirement and Consulting Agreement

In 1997, the Company entered into a Retirement and Consulting Agreement (the "Retirement Agreement") with A. Kirk Lanterman, the President and Chief

Executive Officer of the Company's wholly-owned subsidiary, Holland America Line-Westours Inc. The Retirement Agreement replaced a prior agreement between Mr. Lanterman and the Company entered into in 1996 and provides that the Company will pay to Mr. Lanterman in monthly installments over a fifteen year period an annual compensation for past services and consulting services of \$707,124 beginning upon his retirement from employment with the Company or its subsidiaries. A major portion of these amounts represents bonuses deferred by Mr. Lanterman as described in the Summary Compensation Table above. Mr. Lanterman is required to provide up to five hours of consulting services per month during the term of the Retirement Agreement. In the event of Mr. Lanterman's death prior to the expiration of the Retirement Agreement, the present value of the unpaid balance of the total compensation payable under the Retirement Agreement must be paid to his estate within thirty days of the date of his death.

Compensation Committee Interlocks and Insider Participation

During the Company's fiscal year ended November 30, 1997, Messrs. Modesto A. Maidique, Sherwood M. Weiser, Micky Arison and Uzi Zucker served as members of the Compensation Committee of the Board of Directors. Mr. Arison is the Chairman of the Board of Directors and Chief Executive Officer of the Company. Mr. Arison and Mr. Frank are directors of CHC International, Inc. As described below, Mr. Weiser is Chairman of the Board of Directors and Chief Executive Officer of CHC International, Inc.

Mr. Weiser

Sherwood M. Weiser is the Chairman of the Board, Chief Executive Officer and President of CHC International, Inc., d/b/a Carnival Hotels and Casinos ("CHC"). CHC, an independent hotel and casino development and management company, was formed in March 1994 by the Company and the principals of The Continental Companies. Mr. Weiser was the Chairman of the Board and Chief Executive Officer of The Continental Companies as well as one of its principal stockholders. As of January 12, 1998, the Company owned approximately 23% of the outstanding capital stock of CHC.

In March 1994, the Company and CHC entered into a Trademark License Agreement providing for CHC's use of the "Carnival" trademark so that CHC may do business as "Carnival Hotels & Casinos". In exchange, CHC pays the Company an annual royalty equal to the greater of \$100,000 or 1% of CHC's gross revenues, computed in accordance with the terms of the Trademark License Agreement. The Trademark License Agreement has a term of 20 years.

In connection with the Company's sale to Mr. Weiser of 429,624 shares of CHC capital stock effective November 30, 1994, Mr. Weiser issued a promissory note in favor of the Company in the original principal amount of \$5,370,000 (the "Weiser Note"). The Weiser Note bears interest at the rate of 6% per annum. The principal of and accrued interest on the Weiser Note is payable in full on November 30, 1998. The Weiser Note contains a put option which may be exercised by Mr. Weiser at any time to require the Company to repurchase the 429,624 shares of CHC capital stock sold to Mr. Weiser in exchange for the full principal and interest due under the Weiser Note. As of January 12, 1998, the full principal amount of the Weiser Note remains outstanding.

On August 27, 1997, the Company extended a \$1.5 million line of credit to CHC. As security for the loan, CHC executed a promissory note in favor of the Company bearing a variable interest rate based on the prime rate plus one percentage point. The interest rate for the initial borrowing was 9.5% per annum. Interest is payable monthly on the outstanding principal balance beginning October 1, 1997, with any accrued and unpaid interest payable with the final principal payment. Outstanding balances under the note are due on August 27, 1998. Currently, there is no outstanding balance under the note.

On October 31, 1997, Crowne Plaza Holdings, Inc. a Florida corporation and a 100% subsidiary of the Company ("CPH"), together with Mr. Weiser and the other shareholders of CHC (the "Principals") entered into a transaction to purchase the Crowne Plaza Hotel/Omni Mall Complex in Miami, Florida. The Principals are the owners of CP Miami Holdings, L.L.C., a Florida limited liability company which owns (i) a 17.74% limited partnership interest in CP Miami Hospitality, L.P., the limited partnership established by the Principals to purchase the Crowne Plaza Hotel/Omni Mall Complex and (ii) a 37.35% interest in CP Miami Retail L.P., a Delaware limited partnership which has leased the Omni Mall Complex from CP Miami Hospitality L.P. CPH owns a 48% interest in CP Miami Holdings, L.L.C. Lehman Brothers Holdings, Inc. ("Lehman") extended an \$8.5 million loan to CP Miami Hospitality, L.P. Mr. Karim Alibhai (one of the Principals) individually guaranteed and indemnified Lehman from certain liabilities under the loan to CP Miami Hospitality, L.P. Pursuant to a letter agreement with Mr. Alibhai, Mr. Weiser agreed to indemnify Mr. Alibhai for up to 19% of any funds paid by Mr. Alibhai to Lehman arising from his guarantee relating to the Crowne Plaza Hotel (and 19%

of the expenses) and 50% of any payments made to Lehman relating to the Omni Mall (and 50% of the expenses).

A Contribution and Indemnity Agreement was entered into by and among Mr. Weiser, CPH and the other shareholders of CHC, wherein each party indemnified Mr. Weiser severally and up to their respective percentage interests held in the limited partnership, for Mr. Weiser's liability to Mr. Alibhai under the letter agreement. Under the Contribution and Indemnity Agreement, CPH's maximum liability to Mr. Weiser is approximately \$1,040,000 exclusive of costs and expenses.

The terms of the various transactions involving the Company and CHC were the result of arms-length negotiations between the parties.

Mr. Arison

Mr. Arison, the Chairman of the Board of Directors and Chief Executive Officer of the Company, is the indirect sole owner of a corporation which leased a plane to the Company under a long-term lease pursuant to which the Company paid rent in a lump sum of \$5.5 million in 1987. The amount of the lump sum payment was based on the fair market value and the remaining useful life of the plane at the time, as determined by an independent appraiser. Because the Company acquired a new aircraft, the Company terminated the lease effective January 6, 1997 and received a payment of \$4,528,100 from the lessor, which amount represented unused, prepaid rent under the lease, plus the net book value of certain improvements made by the Company to the plane during the term of the lease.

Mr. Arison was also the indirect majority shareholder of Carnival Air Lines, Inc. ("Carnival Air"), an airline which conducts charter services and scheduled carrier services to Nassau, Puerto Rico and other locations in the Caribbean from several U.S. cities and between various U.S. cities. In September of 1997, Carnival Air was merged with and became a wholly owned subsidiary of Pan Am Corporation ("Pan Am"). As a result of the merger, Mr. Arison became an indirect shareholder of approximately 42% of Pan Am. During fiscal 1997, the Company and its subsidiaries paid approximately \$1 million to Carnival Air for services associated with transporting a limited number of the Company's cruise passengers. During fiscal 1997, the Company and its subsidiaries paid approximately \$100,000 to Pan Am for such services. The Company believes that the fees charged by Carnival Air and Pan Am are comparable to those charged by other airlines for comparable services. Additionally, pursuant to the terms of the merger, Mr. Arison obtained the right to cause Howard S. Frank, the Company's Vice Chairman and Chief Operating Officer, to be appointed to the Board of Directors of Pan Am. Accordingly, Mr. Frank has served on the Board of Pan Am since October 1997.

The Company also earned license fees of approximately \$480,000 during fiscal 1997 for the license of the "Carnival" trademark to Carnival Air. In connection with the merger, Pan Am agreed to pay to the Company unpaid license fees owed by Carnival Air. As of January 12, 1998, Pan Am owed the Company \$1,057,000, inclusive of interest on unpaid license fees. In connection with the merger, Pan Am agreed to discontinue the use of "Carnival" trademarks on the promotion of its ongoing business and to proceed to eliminate the marks from its aircraft and other equipment during its ordinary maintenance schedule.

Mr. Arison is also the Chairman and Chief Executive Officer and the indirect sole shareholder of Florida Basketball Associates, Inc., the sole general partner of the Miami Heat Limited Partnership ("MHLP"), the owner of the Miami Heat, a professional basketball team. During December 1997, the Company entered into a two year sponsorship agreement with MHLP pursuant to which the Company agreed to pay an aggregate of \$617,356 and provide goods and services valued at \$37,500 in exchange for various sponsorship, marketing and advertising services and the use of VIP floor boxes.

Mr. Zucker

Mr. Zucker, a director of the Company, is a Senior Managing Director of Bear, Stearns & Co. Inc. ("Bear Stearns"). Bear Stearns is one of the investment banking firms serving as an agent of the Company in connection with the Company's ongoing offering of \$100,000,000 of Medium Term Notes. Bear Stearns was also one of the investment banking firms serving as an underwriter in the Company's recent public offering of \$200,000,000 of 6.65% Debentures due January 15, 2028. It is expected that Bear Stearns may continue to provide investment banking and consulting services to the Company when so requested by the Company.

The four-member Compensation Committee of the Company's Board of Directors is responsible for annually recommending to the Board of Directors the cash compensation payable to the Company's executive officers. Compensation decisions by the Compensation Committee are submitted to the Board of Directors for approval. The Plan Administration Committee is responsible for the administration of the Company's stock-based incentive plans. The Compensation Committee and the Plan Administration Committee are collectively referred to in this Report as the "Committees".

The Compensation Committee is comprised of Messrs. Sherwood M. Weiser, Uzi Zucker, and Modesto A. Maidique, each of whom are outside directors of the Company, and Micky Arison, the Chairman and Chief Executive Officer of the Company. Micky Arison, Ted Arison (his father) and the other Principal Shareholders control approximately 47% of the voting power of the Company. Micky Arison's participation on the Compensation Committee provides the largest shareholders of the Company the ability to directly oversee and influence the compensation policies of the Company. The Plan Administration Committee is comprised of Messrs. Maidique, Weiser and Zucker.

Compensation Structure

The key components of the compensation of the Company's Chief Executive Officer and the other executives named in the Summary Compensation Table are base salary, annual bonus and stock-based incentives. The objective of the Company is to create a compensation package for executive officers that is competitive with compensation payable by comparable high performing companies, as well as to provide both short-term rewards and long-term incentives for positive individual and corporate performance.

Based on his subjective determinations, the Chief Executive Officer recommends to the Compensation Committee and the Plan Administration Committee the amount of total compensation payable to the Chief Executive Officer and the other named officers for each fiscal year. The Committees undertake a subjective review of such recommendations in light of the various factors discussed below. Neither the Chief Executive Officer nor the Committees assign relative values to any factors considered in the compensation process or set predetermined performance targets for purposes of the compensation decisions. The compensation recommendations of the Chief Executive Officer have historically been approved by the Committees and the Board of Directors. The various components of the Company's executive compensation are discussed below.

During 1996, the Company retained an outside consulting firm to review the Company's compensation policies relating to senior management, other than the Chief Executive Officer and the Vice Chairman (the "Compensation Study"). The Compensation Study did not recommend any adjustments to the total cash compensation packages of the named officers. Consequently, no changes in the total cash compensation of the named officers were proposed.

The Compensation Study identified two significant issues. First, the study indicated that the base salaries of the named officers were substantially below the salaries of senior executives employed by comparable high performing companies. Secondly, the Compensation Study concluded that the Company's long-term compensation programs for senior executives should be reviewed and enhanced. As a result of the foregoing recommendations and in order to provide a more reasonable balance between the base salaries and the cash bonuses, the Compensation Committee approved the restructuring of the cash compensation packages of the named officers, other than Mr. Lanterman, to increase the base salary component of each total cash compensation package. The increases in base salaries were offset by corresponding reductions in the cash bonuses paid to the named officers in 1997 before consideration of any changes in bonuses as a result of the performance of the Company in 1997.

Base Salaries

As a result of the Compensation Study the base salaries of the Chief Executive Officer and certain of the named officers were increased in 1997. The amounts of the individual salary increases in 1997 were subjectively determined and were not based upon specific recommendations set forth in the Compensation Study or precise comparisons with comparable companies. Notwithstanding the salary adjustments, the Company believes that the base salaries paid to the named officers continues to be below the median of salaries paid to executives of comparable high performing companies.

The salary compensation for Mr. Lanterman, who is employed by Holland America Line-Westours Inc. ("HALW"), a subsidiary of the Company, has been traditionally established under the HALW compensation plan. The Compensation Study did not recommend an increase in Mr. Lanterman's base salary.

Bonuses

The objective of the Company is to emphasize the variable annual bonus as the most important cash compensation feature of executive compensation. The emphasis on the annual discretionary bonus allows the Company greater flexibility in rewarding favorable individual and corporate performance than possible under a salary-oriented structure. Although there is no specific relationship between the bonus recommendations of the Chief Executive Officer and the performance of the Company for the 1997 fiscal year, the Compensation Committee considered generally in reviewing such recommendations the 14.4% increase in the Company's earnings per share for fiscal 1997, the performance of the individual operating units of the Company, and the shareholder return reflected in the Performance Graph appearing elsewhere in this Proxy Statement.

Mr. Lanterman's cash bonus is based on the financial performance of HALW, and is calculated pursuant to the terms of the HALW Key Management Incentive Plan. Annual bonuses to Robert Dickinson and Meshulam Zonis are determined primarily pursuant to the terms of the 1994 Carnival Cruise Lines Key Management Incentive Plan (the "CCL Plan"). Robert Dickinson's 1997 annual bonus payable pursuant to the CCL Plan was paid in cash. For all other participants, a portion of the 1997 annual bonus payable pursuant to the CCL Plan was paid in shares of the Company's Common Stock.

Stock-Based Incentives

The third component of the Company's executive compensation is comprised of stock-based incentive plans. The Plan Administration Committee considers the current year's vesting of previously issued shares under the 1987 and 1993 Carnival Cruise Lines, Inc. Restricted Stock Plans, respectively, and other stock grants or awards in evaluating the executive compensation recommendations of the Chief Executive Officer. In addition, the Plan Administration Committee considers granting stock options pursuant to the 1992 Option Plan. Whereas the cash bonus payments are intended to reward positive short-term individual and corporate performance, grants under the stock-based plans are intended to provide executives with longer term incentives which appreciate in value with the continued favorable future performance of the Company. Other than to Robert Dickinson as described above, a portion of the 1997 annual bonuses payable to named officers pursuant to the CCL Plan is payable in shares of the Company's Common Stock.

Other Compensation

The Company in the past has entered into various compensation-related agreements with individual officers. See "EXECUTIVE COMPENSATION - Long-Term Compensation Agreement." Such agreements include employment agreements and deferred compensation arrangements. The Committees and the Board will consider such arrangements in the future in connection with circumstances which warrant an individualized compensation arrangement.

In fiscal 1997, the Company's executive officers also participate in the Company's nonqualified defined benefit pension plan and may participate in a nonqualified deferred compensation plan. In fiscal 1998, the Company's executive officers are eligible to participate in the Company's nonqualified 401(k)/profit sharing plan.

Performance Graph

The following graph compares the Price Performance of \$100 if invested in the Company's Common Stock with the Price Performance of \$100 if invested in each of the New York Stock Exchange Market Value Index and the Dow Jones Industry Group REQ (other leisure services and products). The Performance Graph does not contain comparisons with a cruise line industry index or other cruise lines because the great majority of other companies engaged in the cruise business are privately-held companies. The Price Performance, as used in the Performance Graph, is calculated by assuming \$100 is invested at the beginning of the period in the Company's Common Stock at a price equal to the market value. At the end of each fiscal year the total value of the investment is computed by taking the number of shares owned, assuming the Company's dividends are reinvested on an annual basis, times the market price of the shares at the end of each fiscal year.

TRANSACTIONS OF MANAGEMENT AND DIRECTORS WITH THE COMPANY

Transactions with Ted Arison. In November 1990, subsequent to his resignation as Chairman of the Board, Ted Arison and the Company entered into a consulting agreement (the "Consulting Agreement") whereby Ted Arison agreed to act as a consultant to the Company with respect to the construction of cruise ships. In July 1992, the Consulting Agreement was replaced by a new consulting agreement (the "New Consulting Agreement") between the Company and Arison Investments Ltd. ("AIL"), a corporation affiliated with Ted Arison. The New Consulting Agreement, which originally expired November 25, 1996, has been extended until November 25, 1999. Under the New Consulting Agreement, the Company has agreed to pay AIL \$500,000 per year and to reimburse it for all customary and usual expenses. The New Consulting Agreement also has a non-competition clause under which AIL has agreed that during the term of the New Consulting Agreement it will not, and will cause its affiliate not to compete in any way with the Company. In fiscal 1997, \$500,000 in fees were paid to AIL under the New Consulting Agreement.

The Company also provides aircraft management services to Mr. Arison. During fiscal 1997, the Company received \$150,000 from Mr. Arison in reimbursement of the Company's costs of providing such services. It is expected that the Company may continue to provide such aircraft management services to Mr. Arison in the future.

Under a registration rights agreement (the "Arison Registration Rights Agreement"), the Company has granted certain registration rights to Ted Arison with respect to the shares of Common Stock beneficially owned by Ted Arison (the "Arison Shares") in consideration for \$10,000 to be paid to the Company by Ted Arison thereunder. If, at any time, Ted Arison makes a written demand for the registration of any number of the Arison Shares, subject to a minimum amount of 500,000 shares, the Company will within 90 days prepare and file with the SEC a registration statement, subject to certain limitations. In addition, if the Company determines to file a registration statement on its behalf or on behalf of any security holders (other than a registration statement filed for the purpose of registering shares issuable to employees under an employee benefit plan or in connection with a business combination) relating to its Common Stock or any class of securities convertible into Common Stock, Ted Arison may register the Arison Shares pursuant to such registration statement, subject to certain limitations. The Company has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for Ted Arison, selling costs, underwriting discounts and applicable filing fees. In November 1996, the Company consented to the assignment by Ted Arison of the rights granted to him under the Arison Registration Rights Agreement to Royal Bank of Scotland Trust Company (Limited), as trustee for the Ted Arison Charitable Trust. In addition, the Company granted to the Arison Foundation, Inc. (the "Foundation") the same rights with respect to the shares of Class A Common Stock owned by the Foundation that Ted Arison had with respect to the Arison Shares. Shari Arison is the President and a director of the Foundation.

Registration Rights. Pursuant to a letter agreement (the "Trust Registration Rights Agreement") dated July 11, 1989, the Company granted to the Ted Arison Irrevocable Trust (the "Irrevocable Trust") and the Arison Children's Irrevocable Trust (the "Children's Trust", and together with the Irrevocable Trust, the "Trusts") certain registration rights with respect to the 14,277,028 shares of Common Stock held for investment by the Trusts (the "Shares"). The beneficiaries of the Trusts included the children of Ted Arison, including Micky Arison, a director, Chairman of the Board and Chief Executive Officer of the Company and Shari Arison, a director of the Company. Effective December 26, 1991, the Children's Trust was divided into three separate continued trusts, including continued trusts for Micky Arison and Shari Arison.

The Trust Registration Rights Agreement provides that if, at any time,

either of the Trusts makes a written demand for the registration of its Shares, the Company will within 90 days prepare and file with the Securities and Exchange Commission a registration statement, subject to certain limitations. The Company is not required to effect any demand registration pursuant to the Trust Registration Rights Agreement unless all of the Shares owned by either of the Trusts are included in the demand for registration. In addition, if the Company determines to file a registration statement on its behalf or on behalf of any security holders (other than a registration statement filed for the purpose of registering shares issuable to employees under an employee benefit plan, or in connection with a business combination) relating to its Common Stock or any class of securities convertible into its Common Stock, either of the Trusts may register its Shares pursuant to such registration statement, subject to certain limitations. The Company has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for the Trusts, underwriting discounts and applicable filing fees.

Transactions with Cruise Specialists. Janet Olczak, the wife of A. Kirk Lanterman, an executive officer and director of the Company, is the owner of a travel agency located in Seattle, Washington, named Cruise Specialists. Under the laws of the State of Washington, Ms. Olczak's ownership interest in Cruise Specialists is her separate property and, accordingly, Mr. Lanterman does not have any ownership interest in the agency. Cruise Specialists sells cruises and other similar products for various travel providers, including the Company, under arrangements that are common throughout the travel industry whereby Cruise Specialists receives a commission based on sales generated. In fiscal 1997, Cruise Specialists generated approximately \$7.6 million of gross revenues (before commission) for the Company. In connection with such revenues, Cruise Specialists received commissions of approximately \$1.2 million. The Company believes that the commissions paid to Cruise Specialists are comparable to those paid to other travel agents for comparable services.

Transactions with Trustees. The trustee of the B Trust and the Micky Arison 1997 Holdings Trust is JMD Delaware, Inc., a Delaware corporation wholly-owned by James M. Dubin. Mr. Dubin is a director of the Company and a partner in the New York law firm of Paul, Weiss, Rifkind, Wharton & Garrison, which firm serves as counsel to the Company and Micky Arison.

Andrew H. Weinstein is the sole shareholder of TAF Management Company, A.H.W. Limited and Kentish Limited, which act either as trustee or protector of certain Arison family trusts. Mr. Weinstein is a partner in the law firm of Holland & Knight, which firm serves as counsel to the Company and Ted Arison.

Transactions with Airtours and David Crossland. The Company currently owns 120,000,000 ordinary shares of Airtours (the "Ordinary Shares"), equivalent to 28% of the ordinary share capital of Airtours. Airtours is an integrated leisure travel group, owning tour operators, charter airlines, travel agencies, cruise ships and holiday hotels. It markets its products to customers in the United Kingdom, Sweden, Norway, Denmark, Finland, the United States and Canada. David Crossland owns 48,539,874 Ordinary Shares (or 11.3%) of Airtours' ordinary share capital. Micky Arison and Howard S. Frank are non-executive directors of Airtours.

In June 1997, the Company and Airtours successfully completed the joint offer to acquire an interest in the outstanding equity securities of Costa Crociere, S.p.A. ("Costa"), an Italian cruise company listed on the Milan Stock Exchange. With the completion of the offer, the Company and Airtours each own 50% of Il Ponte, S.p.A. ("Il Ponte"), a holding company which was purchased from the Costa family. As of November 30, 1997, Il Ponte owned 98% of the ordinary share capital, 93% of the savings shares and 47% of the savings share warrants of Costa. The total cost of acquiring those Il Ponte and Costa shares was approximately \$266 million, of which approximately \$190 million was paid by Il Ponte and the balance was paid equally by the Company and Airtours. The \$190 million which was paid by Il Ponte was funded by borrowings, of which the Company guaranteed \$95 million. In January 1998, Il Ponte completed a second tender offer for the remaining shares of Costa at a cost of \$15.5 million, which was funded through additional borrowings of which the Company guaranteed an additional \$7.75 million. As of January 12, 1998, Il Ponte owns approximately 100% of the ordinary share capital, savings shares and savings share warrants of Costa. Mr. Crossland currently serves as Chairman of the Board of Il Ponte.

Airtours also owns retail travel agencies located throughout the United Kingdom and Scandinavia which sell cruises and other travel products for various travel providers, including Airtours and the Company, under arrangements that are common throughout the travel industry whereby the Airtours travel agencies receive a commission based on sales generated. The Company believes the commissions paid to the Airtours travel agencies are comparable to those paid to other travel agents for comparable services.

In April 1997, the Company and Airtours entered into a renewable five-year concession agreement for the Company to provide casino services on board Airtours cruise ships. In exchange for such services, the Company retains a percentage of the gaming revenue derived from such services.

The terms of the various transactions involving the Company and Airtours were the result of arms-length negotiations between the parties.

Transaction with Shari Arison. The Company has granted a license to use the "Carnival" trademark to FUN, Inc. ("FUN") in connection with FUN's manufacturing, advertisement and sales of perfume and certain related products on the Company's ships and in department and specialty shops in the United States and specified foreign countries. Shari Arison is a member of the Board of Directors and a Vice President of FUN. Shari Arison's husband, Mickey Dorsman, owns a 50% interest in FUN. Royalties are payable to the Company in an amount equal to 5% of net sales up to \$5 million, and thereafter on net sales based on a sliding scale providing for lesser percentages of royalties as annual net sales increase, with a minimum of 2%. No royalty payments were made in fiscal 1997. See also "TRANSACTIONS OF MANAGEMENT AND DIRECTORS WITH THE COMPANY -- Transactions with Ted Arison."

Other Transactions. Certain transactions involving Micky Arison, Sherwood M. Weiser and Uzi Zucker are described in "EXECUTIVE COMPENSATION -- Compensation Committee Interlocks and Insider Participation."

Transactions with Affiliated Entities. The Company has adopted a policy of dealing with affiliated entities on an arms-length basis and it may not engage in business transactions with any affiliate on terms and conditions less favorable to the Company than terms and conditions available at the time for comparable transactions with unaffiliated persons.

SELECTION OF AUDITORS

The Board of Directors has selected Price Waterhouse LLP as independent certified public accountants of the Company for the fiscal year ending November 30, 1998, subject to approval of the shareholders. A representative of such firm will be present at the Annual Meeting and will have an opportunity to make a statement if he desires to do so and is expected to respond to appropriate questions which the shareholders might have. The Company knows of no direct or material indirect financial interests or relationships that the members of such firm have with the Company.

Although ratification by the shareholders of the appointment of independent accountants is not legally required, the Board of Directors believes that such action is desirable.

Ratification of the selection of Price Waterhouse LLP as independent auditors for the 1998 fiscal year requires the approval of the majority of the votes cast at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR ratification of the selection of Price Waterhouse LLP as independent certified public accountants for the 1998 fiscal year.

Such right of indemnification shall not be deemed exclusive of any other rights to which such director or officer may be entitled apart from the foregoing provisions.
